## Electrician III/7 (Ro-Ro Cargo Vessel – Italian Flag)

### Description

**Wage:** According to **CCNL Contract** with full Italian benefits

**Joining:** ASAP

**Contract Length:** 3–4 months on board / 1.5–2 months at home (rotation system)

### Requirements:

- Valid **STCW certification**
- **Advanced Fire-Fighting** course (cost reimbursed once on board)
- **Proficiency in Survival Craft and Rescue Boats (PSCRB)** course

### Why Apply?

This is a strong opportunity for **experienced marine electricians** seeking stable contracts under the Italian flag. The position comes with competitive wages, Italian labor benefits, and the security of a structured rotation system for better work-life balance.

### How to Apply:

Send your updated CV and valid maritime certificates to [CV@cuzacrewing.ro](mailto:CV@cuzacrewing.ro) or apply directly through our online job portal.
